

Belle & Sebastian, Simple Things

If you want me i'll be there
A boy to deal with all your problems
But part of the deal
Is for you to feel something

If you want me look me up
I don't exist in usual places
Subtle as the wind is grey

If you want me you know where i am
I saw your arms in a dream
And there were blue veins blue
Blue veins

If you want me all you have to do
Is ask a thousand questions
Triplicate and file under
"simple things you ask to make a young boy sigh"
Young boy sigh
Young boy sigh
