

# Belle & Sebastian, The Fox In The Snow

Fox in the snow, where do you go  
To find something you can eat?  
Cause the word out on the street is you are starving  
Don't let yourself grow hungry now  
Don't let yourself grow cold  
Fox in the snow

Girl in the snow, where will you go  
To find someone that will do?  
To tell someone all the truth before it kills you  
They listen to your crazy laugh  
Before you hang a right  
And disappear from sight  
What do they know anyway?  
You'll read it in a book  
What do they know anyway?  
You'll read it in a book tonight

Boy on the bike, what are you like  
As you cycle round the town?  
You're going up, you're going down  
You're going nowhere  
It's not as if they're paying you  
It's not as if it's fun  
At least not anymore  
When your legs are black and blue  
It's time to take a break  
When your legs are black and blue  
It's time to take a holiday

Kid in the snow, way to go  
It only happens once a year  
It only happens once a lifetime  
Make the most of it  
Second just to being born  
Second to dying to  
What else could you do?
