

Bellefire, I need to be next to you

Miscellaneous

I need to be next to you

Been running from these feelings for so long

Telling my heart I didn't need you

Pretending I was better off alone

But I know that it's just a lie

So afraid to take a chance again

So afraid of what I feel inside

But I need to be next to you

Oh I, oh I

I need to share every breath with you

Oh I, oh I

I need to know

I can see your smile each morning

Look into your eyes each night

For the rest of my lie

Here with you, near with you

Oh I, I need to be next to you

Right here with you is right where I belong

I'll lose my mind if I can't see you

Without you there is nothing in this life

That would make life worth living for

I can't bear the thought of you not there

I can't fight what I feel anymore

Coz I need to be next to you

Oh I, oh I

I need to share every breath with you

Oh I, oh I,

I need to know

I can see your smile each morning

Look into your eyes each night

For the rest of my life

Here with you, near with you

Oh I, oh I

need to be next to you

I need to have your heart next to mine

For all time

Love you for all my life

I need to be next to you

Oh I, oh I

I need to know

I can see your smile each morning

Look into your eyes each night

For the rest of my life

Here with you, near with you

Oh I, need to be next to you
