Bellx1, Snakes And Snakes

I need some crayon light I need some coloring in I need somebody who's going to give in I need my own moon landing I need a mission to Mars I need to carry out repairs by the light of your star You say you're missing my voice now Yeah, I'm missing it too I'm missing my voice when it's talking to you I'm hearing your voice now And here I go again Coming over like mist be coming rain All this serves to tell me It's maybe there's no ladders in this game at all All this serves to tell me is maybe only snakes Like the one in the garden that has to crawl All this serves to tell me Is maybe there's no ladders in this game at all All this serves to tell me is maybe only snakes Like the one in the garden, fucked it all I need to smile like an angel I need to smile like a fool I need to smile like I'm pissing In your swimming pool
