Beloved, Aimless Endeavor

Remembering the moments It's so unclear Re-living it just to disappear It's always the wrong way And never the same It's dragging and staggered Into a dull replay

Remember the moments It's so unclear, It's so unclear Re-living it just to disappear

Lying down in sleepless eyes
Wide awake
So caught inside this aimless endeavor
It's sure to leave it's mark
Blacked-out and beaten into our skin
Deeper now that it's sunk in
Feeding on all of this damage it's done
The deeper you look
The harder it is to find
It's so safe and so secure

Blacked-out and beaten into our skin Deeper now that it's sunk in It's so deep now

Blacked-out and beaten into our skin Deeper now that we've fell in
