

Beloved (US), Aimless Endeavor

Remembering the moments,
It's so unclear.
Reliving it just to disappear.
It's always the wrong way
And never the same.
It's dragging and staggered
Into a dull replay.
Remember the moments,
It's so unclear.
Reliving it just to disappear.
Lying down in sleepless eyes
Wide awake
So caught inside this aimless endeavor,
It's sure to leave it's mark.
Blacked out and beaten into our skin
Deeper now that it's sunk in.
Feeding on all of the damage it's done.
The deeper you look,
The harder it is to find.
It's so safe, and so secure.
It's so deep now.
Blacked out and beaten into our skin,
Deeper now that we've fell in.
