

Belphegor, Lust Perishes In A Thirst For Blood

I deserve your warm blood
Fuck your holy flesh
Use my cock anal
Lick my unholy cum
Submit your juicy hole
Beg for fresh urin

Bleed for sathan

Lust perishes in a thirst for blood
Lust perishes in a thirst for blood
Lust perishes in a thirst for blood

Swallow my unblest piss
Beautiful nazarene whore
My dick spreads cold disease
Seduced through passion
Of the sinful snake
Ass and cunt breathe no more

Lust perishes in a thirst for blood
Lust perishes in a thirst for blood
Lust perishes in a thirst for blood

Lust perishes in a thirst for blood
Lust perishes in a thirst for blood
Lust perishes in a thirst for blood

I consume - your bloodred - delightful breast
Your magnificent - toes - are my dessert
In bonds - kneedeep - you bath in my sin
Necrofuck - is your - destiny
