

# Belphegor, Shred For Sathan

A new age of blazing fire  
Horned Goat, fight for the throne  
Light bearer, Prince of Power  
Singlem solis, the seal of the sun  
Under the sign of the pentagram  
Fire, thunderbolts and storms  
We shred for Sathan  
We shred for Sathan  
Under the sign of the pentagram  
Fire, thunderbolts and storms  
We shred for Sathan  
We shred for Sathan  
Evil spirit, Son of the Dawn  
Fallen angel refused to kneel  
Cast thy shadow over the earth  
Singlem solis, the seal of the sun  
Under the sign of the pentagram  
Fire, thunderbolts and storms  
We shred for Sathan  
We shred for Sathan  
Under the sign of the pentagram  
Fire, thunderbolts and storms  
We shred for Sathan  
We shred for Sathan
