

# Belvedere, It's Tough To Be A Bully When There's

Just Look Around Because There's No One There  
I'd Bring A Fight But There's Not A Pair  
It's Fucked To Think That Life Is So Unfair  
That You'd Be All Alone Why Don't You Think About It

Knew Everyone Would Turn On Me  
It's A Lack Of Respect And Authority  
'Cause I'd Pushed Around Everyone That I Could See  
And I'd Scream Jubilation But No One Would See Me

Everything Falls Apart  
Lose Myself, Fuck All Control
