

Ben Bledsoe, Real Love

There was a time
When I thought I'd never see the day
That I'd find
Someone and wanna stop this game
Of messin' 'round
With someone new
Most every single day
But now that I've found you, I don't want them
Anyway

All along
It seems like I've been going 'bout things
All wrong. Ohhh ohhh

So free, now I can finally feel love
Real love
So free that I can finally see
So free now, I can finally feel love
Real love ohh ohh
And feel alright

You know that I've been dyin'
Everyday
And I'd hoped that you would
Find a way
To lift me up
And make me feel like
Everything's O.K.
And I hope to God we'll be together
Always

Deep inside
I've always wished for love that lasted
All my life ohhh ohhh

So free, now I can finally feel love
Real love
So free that I can finally see
So free now, I can finally feel love
Real love ohh ohh
And feel alright

Just one look at your eyes, and I changed my ways
I'm losin' my mind hoping you'll stay
'cause I know you're in love

So free, now I can finally feel love
Real love
So free that I can finally see
So free now, I can finally feel love
Real love ohh ohh
And feel alright

So free, now I can finally feel love
Real love
When you wandered into my life showing me what love is all about
So free now, I can finally feel love
Real love ohh ohh
