

# Ben E. King, Don't Play That Song (you Lied)

Don't play it no more  
Don't play it no more  
Don't play it no more  
No no no  
Don't play that song for me  
It brings back memories  
The days that I once knew  
The days that I spent with you  
Oh no, don't let it play  
It fills my heart with pain  
Please stop it right away  
I remember just what it said  
It said, darlin' I love you, you know that you lied  
Darlin' I love you, you know that you lied  
Darlin' I love you, you know that you lied  
You lied, you lied, lied, lied, lied  
Remember on our first date  
You kissed me and you walked away  
You were only 17  
I never thought you'd act so mean  
But baby, you told me you loved me  
You told me you cared  
You said I'll go with you darlin', almost anywhere  
But baby you know that  
Darlin' I love you, you know that you lied  
Darlin' I love you, you know that you lied  
Darlin' I love you, you know that you lied  
You lied, you lied lied lied lied  
Don't play it no more  
Don't play it no more  
Stop it baby  
No no no  
Don't play it no more  
Baby please, don't play it baby  
Don't play it no more  
No no no, stop it baby  
Darlin' I love you, you know that you lied  
Darlin' I love you, you know that you lied  
Darlin' I love you, just tell me, you lied
