Ben E. King, Here Comes The Night

Here comes the night See the stars in the sky Shining up above, night of love Darling, just you and I And here comes the night How I thrill to your kiss Music fills the air everywhere Night of magic and bliss Think of the moments The hours and hours That we were apart Moments and hours that kept Bringing showers of Tears to my heart Oh, oh, oh, oh And here comes the night Like the others before But tonight's divine You are mine once more Think of the moments The hours and hours That we were apart Moments and hours that kept Bringing showers of Tears to my heart Oh, oh, oh, oh And here comes the night Like the others before But tonight's divine You are mine once more (Comes the night)
