

# Ben Folds, Bruised

(we're rolling)  
(1, 2, 1 2)  
(sorry, 1 2 3 4)

Oh no  
Your love just leaves you bruised  
If you want to know  
You find something to lose

The world won't turn until something breaks  
Who will make the first last mistake  
You say good things come to those who  
Wait

Into the spiral  
Your world and my world  
It's never final  
Love just leaves you bruised

I went because you said you'd be there  
A box of candy  
Smoke in your hair  
And I didn't know  
I didn't care  
But now I know  
Ba ba ba ba baaaaaa  
Ba ba ba ba baaaaaa  
Ba ba ba ba baaaaaa  
Ba ba ba ba  
Love just leaves you bruised

Oh no  
Did love just leave you screwed  
You got to go slow  
Cause love just leaves you bruised

Into the spiral  
Your world and my world  
It's never final  
Love just leaves you bruised

I went because you said you'd be there  
A box of candy  
Smoke in your hair  
When I didn't know  
I didn't care  
But now I know  
Ba ba ba ba baaaaaa  
Ba ba ba ba baaaaaa  
Now I know  
Ba ba ba ba baaaaaa  
Ba ba ba ba  
Love just leaves you bruised

And i've  
Got the scars to prove it

I went because you said you were there  
A box of candy  
Smoke in your hair  
Explain it to me  
Again and again  
Like I care  
Ba ba ba ba baaaaaa

Ba ba ba ba baaaaa  
Like I care  
Ba ba ba ba baaaaa  
Ba ba ba ba baaaaa  
Love just leaves you yeah

The world won't turn until something breaks  
Who will make the first last mistake  
Good things come to those who wait  
Well I can't wait

I went because you said you'd be there  
A box of candy  
Smoke in your hair  
I didn't know  
I didn't care  
Now I know

Ba ba ba ba baaaaaa [repeat]

(extened version  
Thats alright  
How did that sound?)

(It was fucking great!)
