

# Ben Folds, Champagne Supernova

You want...you wan...  
You wanna play a country song?  
I don't think we played...  
I don't think we played this country song here,  
before, actually in London.  
Played it up North, didn't we...  
I don't think we did.  
(No we didn't - you're right.)

stop me, oh-a-oh stop me...  
(I'm not gonna.)

how many special people change?  
(An old American standard.)  
how many lives are living strange?  
where were you  
when we were getting high?

slowly walking down the hall  
faster than a cannonball  
where were you  
when we were getting high?

some day you will find me  
caught beneath a landslide  
in a Champagne Supernova  
in the sky  
some day you will find me  
caught beneath a landslide  
in a Champagne Supernova  
a Champagne Supernova  
in the sky...

The Gallagher brothers!
