Ben Folds, Don't Change Your Plans

sometimes I get the feeling that I won't be on this planet for very long I really like it here I'm quite attached to it I hope I'm wrong all I really wanna say: you're the reason I wanna stay I loved you before I met you and I met you just in time 'cause there was nothing left

I sat here on my suitcase in our empty new apartment 'til the sun went down and I walked back down the stairs with all my bags and drove away you must be freaking out

all I know's I gotta be where my heart says I oughta be it often makes no sense, in fact I never understand these things I feel

don't change
your plans
for me
I won't
move to
L.A.
the leaves
are falling
back east
that's where I'm going to stay

you have made me smile again in fact, I might be sore from it it's been awhile I know we've been together many times before I'll see you on the other side

but don't change
your plans
for me
I won't
move to
L.A.
the leaves
are falling
back east
that's where I'm going to stay

all I really wanna say:
you're the reason I wanna stay
but destiny is calling and won't hold
and when my time is up
I'm outta here

all I know's I gotta be where my heart says I oughta be it often makes no sense, in fact I never understand these things I feel

I love you, goodbye I love you, goodbye...
