

Ben Folds, Dr. My Eyes

from Banger Sisters soundtrack
Dr. my eyes have seen the years
and this slow parade of fears
without crying
now I want to understand
I have done all that I could
to see the evil and the good
without hiding
you must help me if you can
Dr. my eyes
tell me what is wrong
was I unwise
to leave them open for so long?
'cause I have wandered through this world
and each moment has unfurled
I've been waiting to awaken from these dreams

('cause) people go just where they will
I never notice them until i've got this fear that it's later than it seems
Dr. my eyes
tell me what you see
I hear the cries
say if it's to late for me
Dr. my eyes
tell me what you see
I hear the cries
say if it's to late for me
Dr. my eyes
I cannot see the sky
is this the prize
for learning not to cry?
