

# Ben Folds Five, All you can eat

Son, look at all the people in this restaurant  
What do you think they weigh?  
Out the window to the parking lot  
At their SUV's, taking all of the space  
They give no fuck  
They talk as loud as they want  
They give no fuck  
Just as long as there's enough, for them  
Gonna get on the microphone down at Walmart  
Talk about some shit that's been on my mind  
Talk about the state of this great nation of ours  
People look to your left, yeah, look to your right  
They give no fuck  
They buy as much as they want  
They give no fuck  
Just as long as there's enough, for them  
Son, look at the people lining up for plastic  
Wouldn't you like to see them in the National Geographic  
Squatting bare ass in the dirt eating rice from a bowl  
With a towel on their head and maybe a bone in their nose  
See that asshole with a peace sign on his license plate?  
Giving me the finger and running me out of his lane  
God made us number one 'cause he loves us the best  
Well he should go bless someone else for a while and give us a rest  
(they give no)  
Yeah, and everyone can see  
(they give no)  
We've eaten all that we can eat
