

# Ben Folds Five, In Between Days (The Cure)

Yesterday I got so old  
I felt like I could die  
Yesterday I got so old  
It made me want to cry

So go on go on  
Just walk away  
Go on go on  
Your choice is made  
Go on go on  
And disappear  
Go on go on  
Away from here

And I know I was wrong  
When I said it was true  
That it couldn't be me and be her  
In between without you  
Without you

Yesterday I got so scared  
I shivered like a child  
Yesterday away from you  
It froze me deep inside

So come back come back  
Don't walk away  
Come back come back  
Come back today  
Come back come back  
Why can't you see?  
Come back come back  
Come back to me

And I know I was wrong  
When I said it was true  
That it couldn't be me and be her  
In between without you  
Without you

(Go on)  
(Go on)  
(Go on)  
(Go on)

Without you
