

# Ben Folds Five, Selfless, Cold, & Composed

I said what you wanted to hear  
And what I wanted to say  
So I will take it back  
Are all the dishes intact?  
Let them be broken  
It's easy to be  
Easy and free  
When it doesn't mean anything  
You remain selfless, cold and composed

You've done me no favor  
To call and be nice  
Telling me i  
Can take anything I like  
You don't owe me to be so polite  
You've done no wrong

You've done no wrong  
Get out of my sight  
It's easy to be easy and free  
When it doesn't mean anything  
You remain  
Selfless, cold, and composed

Come on baby. now throw me  
A right to the chin  
Don't you stare like  
You never cared  
I know you did  
You just smiled  
Like a band teller  
Telling me bleakly  
Have a nice life
