

# Ben Folds, There's Always Someone Cooler Than

Smile

Like you've got nothing to prove

No matter what you might do

There's always someone out there cooler than you

I know that's hard to believe

But there are people you meet

They're into something that is too big to be

Expressed

Through their clothes

And they'll put up with all the poses you'll throw

And you won't

Even know

that they're not sizing you up

They know your mom fucked you up

Or maybe let you watch too much TV

But they'll still look in your eyes

To find the human inside

You know there's always something in there to see

Beneath

The veneer

Not everybody made the list this year

Have a beer

Make me feel tiny if it makes you feel tall

But there's always someone cooler than you

Yeah, you're the shit but you won't be here for long

Oh, there's always someone cooler than you

Yeah, there's always someone cooler than you

Now that I've got the disease

In a way I'm relieved

'Cause I don't have to stress about it like you do

I might just get up and dance

Or buy some acid-wash pants

When you don't care then you got nothing to loose

And I won't

Hesitate

'Cause every moment life is slipping away

It's ok

Make me feel tiny if it makes you feel tall

But there's always someone cooler than you

Yeah, you're the shit but you won't be it for long

Oh, there's always someone cooler than you

Yeah, there's always someone cooler than you

Oh, there's always someone cooler than...

Life is wonderful

Life is beautiful

We're all children of

One big universe

So you don't have to be a chump

And you know (you know)

That I won't (I won't)

Hesitate (hesitate)  
'Cause every moment life is slipping away (away)  
It's ok (it's ok)

Make me feel tiny if it makes you feel tall  
Oh, 'cause there's always someone cooler than you

Yeah, you're the shit but you won't be it for long  
But there's always someone cooler than you  
Oh yeah, there's always someone cooler than you  
Because there's always someone cooler than you

Cooler than you (boy)  
Cooler than you (girl)  
Cooler than you (sir)  
Cooler than you (my lady)

Oh  
Nerds go wild  
Yeah Yeah
