

# Ben Folds, There's Always Someone Cooler Than

Smile

Like you've got nothing to prove  
No matter what you might do  
There's always someone out there cooler than you

I know that's hard to believe  
But there are people you meet  
They're into something that is too big to be

Expressed  
Through their clothes  
And they'll put up with all the poses you'll throw  
And you won't

Even know  
that they're not sizing you up  
They know your mom fucked you up  
Or maybe let you watch too much TV

But they'll still look in your eyes  
To find the human inside  
You know there's always something in there to see

Beneath  
The veneer  
Not everybody made the list this year  
Have a beer

Make me feel tiny if it makes you feel tall  
But there's always someone cooler than you

Yeah, you're the shit but you won't be here for long  
Oh, there's always someone cooler than you  
Yeah, there's always someone cooler than you

Now that I've got the disease  
In a way I'm relieved  
'Cause I don't have to stress about it like you do

I might just get up and dance  
Or buy some acid-wash pants  
When you don't care then you got nothing to lose

And I won't  
Hesitate  
'Cause every moment life is slipping away  
It's ok

Make me feel tiny if it makes you feel tall  
But there's always someone cooler than you

Yeah, you're the shit but you won't be it for long  
Oh, there's always someone cooler than you  
Yeah, there's always someone cooler than you  
Oh, there's always someone cooler than...

Life is wonderful  
Life is beautiful  
We're all children of  
One big universe  
So you don't have to be a chump

And you know (you know)  
That I won't (I won't)

Hesitate (hesitate)  
'Cause every moment life is slipping away (away)  
It's ok (it's ok)

Make me feel tiny if it makes you feel tall  
Oh, 'cause there's always someone cooler than you

Yeah, you're the shit but you won't be it for long  
But there's always someone cooler than you  
Oh yeah, there's always someone cooler than you  
Because there's always someone cooler than you

Cooler than you (boy)  
Cooler than you (girl)  
Cooler than you (sir)  
Cooler than you (my lady)

Oh  
Nerds go wild  
Yeah Yeah
