

Ben Harper And The Innocent Criminals, Burn One

Let us burn one from end to end,
And pass it over to me my friend.
Burn it long, we'll burn it slow,
To light me up before I go.

If you don't like my fire, then don't come around,
'cause I'm gonna burn one down.
Yes, I'm gonna burn one down.

My choice is what I choose to do,
And if I'm causing no harm, it shouldn't bother you.

Your choice is who you choose to be,
And if you're causin' no harm, then you're alright with me.

If you don't like my fire, then don't come around,
'cause I'm gonna burn one down.
Yes, I'm gonna burn one down.

Herb the gift from the earth,
And what's from the earth is of the greatest worth.
So before you knock it try it first,
Oh, you'll see it's a blessing and not a curse.

If you don't like my fire, then don't come around,
'cause I'm gonna burn one down.
Yes, I'm gonna burn one, oohhh.
