

# Ben Harper, I Love Her

It's her hair and her eyes today  
that just simply take me away  
and the feeling that I'm falling further in love  
makes me shiver but in a good way  
all the times I have sat and stared  
as she thoughtfully thumbs through her hair  
and she purses her lips, bats her eyes as she plays,  
with me sitting there slack-jawed and nothing to say  
Coz I love her with all that I am  
and my voice shakes along with my hands  
coz she's all that I see and she's all that I need  
and I'm out of my league once again  
It's a masterful melody when she calls out my name to me  
as the world spins around her she laughs, rolls her eyes  
and I feel like I'm falling but it's no surprise  
Coz I love her with all that I am  
and my voice shakes along with my hands  
cause it's frightening to be swimming in this strange sea  
but I'd rather be here than on land  
yes she's all that I see and she's all that I need  
and I'm out of my league once again
