

Ben Harper, I Love Her

It's her hair and her eyes today
that just simply take me away
and the feeling that I'm falling further in love
makes me shiver but in a good way
all the times I have sat and stared
as she thoughtfully thumbs through her hair
and she purses her lips, bats her eyes as she plays,
with me sitting there slack-jawed and nothing to say
Coz I love her with all that I am
and my voice shakes along with my hands
coz she's all that I see and she's all that I need
and I'm out of my league once again
It's a masterful melody when she calls out my name to me
as the world spins around her she laughs, rolls her eyes
and I feel like I'm falling but it's no surprise
Coz I love her with all that I am
and my voice shakes along with my hands
cause it's frightening to be swimming in this strange sea
but I'd rather be here than on land
yes she's all that I see and she's all that I need
and I'm out of my league once again
It's her hair and her eyes today
that just simply take me away
and the feeling that I'm falling further in love
makes me shiver but in a good way
all the times i have sat and stared
as she thoughtfully thumbs through her hair
and she purses her lips, bats her eyes as she plays,
with me sitting there slack-jawed and nothing to say
Coz i love her with all that I am

cause it's frightening to be swimming in this strange sea
but I'd rather be here than on land
