

Ben Harper, In The Colors

When your whole world is shaken
From all the rhythm we have taken
dance with me dance with me to the colors of the dusk
when you have awoken
from all the dreams broken
come and dance with me dance with me into the colors of the dusk
dance with me into the colors of the dusk
the paths were walking on
they crumble behind us
but if we leave now

they will never, they will never find us
if this crazy world spins itself down dusk
i wanna be with you, im gonna be with you, in the colors
when you again start moping
with your arms wide open
come on dance with me oh dance with me into the colors of the dusk
and all will be right, will be right
dancing like water with the light
woah dance with me wont you dance with me into the colors of the dusk
woah dance with me into the colors of the dusk, dance with me to the colors of the dusk
