

Ben Harper, One Road For Freedom

Tell me which road, which road are you traveling?
Which road are you traveling on?
Who will you turn to
When the light, when the light has gone?
Said, I hear somebody calling
Said, I hear somebody calling to me
With so many roads to travel
There's just one can set you free
Said, there's just one road, one road to freedom
Said, there's just one road, one road to freedom
There's just one, there's just one
In my life, in my life I have been blessed
In my life I have been cursed
I have lived the best of times
And I have suffered, I have suffered the worst
Do you know which road you're traveling?
Do you know where you want to be?
With so many roads to travel
There's just one can set you free
Said there's just one road, one road to freedom
Said there's just one road, one road to freedom
Said there's just one road, one road to freedom
There's just one, there's just one
There's just one, there's just one
