

Ben Harper & The Innocent Criminals, In The Col

When your whole world is shaken
from all the risks we have taken
dance with me into the colors
of the dusk

when you have awoken
from all the dreams broken
dance with me into the colors
of the dusk

the paths we're walking on
crumble behind us
but if we leave now they will
never find us
and if this crazy world spins itself
down to dust
i want to be with you
in the colors

when you again start hoping
with your arms wide open
dance with me into the colors
of the dusk

and all will be right
dancing like water with the light
dance with me into the colors
of the dusk
