

# Ben Harper, Waymore's Blues

( Waylon Jennings )

Well I woke up this morning it was drizzling rain  
Around the curve come a passenger train  
I heard somebody yodel and a hobo moan  
Jimmy he's dead it's been a long time gone  
Been a long time gone  
A long time gone  
If you want to get to heaven got to d-i-e  
You got to put on your coat and t-i-e  
Want to get the rabbit out of the l-o-g  
Gotta make a commotion like a d-o-g  
Like a d-o-g  
Like a d-o-g  
I gotta good woman what's the matter with me  
What makes me want to love every woman I see  
I was traveling when I met her now i'm traveling again  
And every women she sees looks like a place I came in  
Looks like a place I came in  
Place I came in  
I got my name painted on my shirt  
I ain't no ordinary dude,i don't have to work  
I don't have to work
