

Ben Kweller, Bk Baby

Stop, collaborate and listen
BK's back with my brand new invention
Something grabs ahold of me tightly
Flow like a harpoon daily and nightly

Would it ever stop, yo I dont know
Turn on the light and I'll glow
To the extreme I rock the mic like a vandal
Light up the stage and watch me jump like a candle

Damn, I'm kickin that boon
Her poison's like a poisonous mushroom
If there is a problem yo, I'll solve it
Check out the hook while my DJ revolves it
Ice, ice, baby, too cold to hold
Ice, ice, baby, too cold to hold

Rolling in my gray Volvo
With my ragtop down so my hair can blow
Girlies on standby waiting just to say hi
Did I stop?
No I just rode by

Should I stop, hey I don't know
Turn on the light and I'll glow
To the extreme I rock the mic like a vandal
Light up the stage and watch me jump like a candle

Damn, I'm kickin that boon
I'm poisonous like a poisonous mushroom
If there is a problem baby I will solve it
Check out the hook while my DJ revolves it
Ice, ice, baby, too cold to hold
Ice, ice, baby, too cold to hold

Dr Dre ain't got nothin on me
