

Ben Kweller, Commerce, Tx

I got a bad flavor
I got dirty clothes
I got a strange neighbor
Who doesn't have curtains on her windows
I got a pet hedge hog
Drinking' yager all day
Got my Crate combo
And a baby on the way but it's okay
It's gonna take a lot of time
Before I can cross that finish line
And when I can't take the fall
I really wanna make that call
That's my new best friend
Anne Disaster's her name
We're passin' out on the carpet
And our attributes are the same
It's the slacker lifestyle
That we do so well
Bills are due on Monday
And I, I'm oblivious, can't you tell?
It's gonna take a lot of time
Before I can cross that finish line
And when I can't take the fall
I really wanna make that call
My brain is super fried
It involves pain to look inside, oh
It's gonna take a lot of time
Before I can cross that finish line
And when I can't take the fall
I really wanna make that call
It's gonna take a lot of time
Before I can cross that finish line
And when I can't take the fall
I really wanna make that call, call, call
My brain is super fried
It involves pain to look inside, oh
It's gonna take a lot of time
Before I can cross that finish line
And when I can't take the fall
I really wanna make that call
