

Ben Kweller, I Don't Know Why

check me out
i'm losing control
i wanna rock and roll
but everything i planned just slipped right through my hand
i don't know why

i'm a nice guy
i wanna take it easy baby
but every time i start, my world falls apart
i don't know why

the world is feelin' like it's passin' me by
i'm fixin' to lose it
but i don't know why

check me in
i wanna be your friend
i wanna be your lover, baby
but everything i say comes out the wrong way
i don't know why

so i guess i'll let it slide by
i wanna take it slowly, honey
i'm feelin' like a fake, every move i make
i don't know why

the world is feelin' like it's passin' me by
i'm fixin' to lose it
but i don't know why

again and again and again and again i try
i'm fixin' to lose it
but i don't know why

the world is feelin' like it's passin' me by
i'm fixin' to lose it
but i don't know why
