

# Ben Kweller, I Don't Know Why

check me out  
i'm losing control  
i wanna rock and roll  
but everything i planned just slipped right through my hand  
i don't know why

i'm a nice guy  
i wanna take it easy baby  
but every time i start, my world falls apart  
i don't know why

the world is feelin' like it's passin' me by  
i'm fixin' to lose it  
but i don't know why

check me in  
i wanna be your friend  
i wanna be your lover, baby  
but everything i say comes out the wrong way  
i don't know why

so i guess i'll let it slide by  
i wanna take it slowly, honey  
i'm feelin' like a fake, every move i make  
i don't know why

the world is feelin' like it's passin' me by  
i'm fixin' to lose it  
but i don't know why

again and again and again and again i try  
i'm fixin' to lose it  
but i don't know why

the world is feelin' like it's passin' me by  
i'm fixin' to lose it  
but i don't know why
