

# Ben Kweller, Launch Ramp

Go!  
Tack giant mushrooms to all of the bedrooms  
Go yo, to the streets  
Impedence with selection  
I survey nocturnal thought  
As we drive home  
Hey, she won  
Do do do, do do do  
Hey, she won  
Do do do, do do do  
You're just a vacuum tube down in the basement  
Thats of course the game i'm playin  
While my heart goes to the almighty  
Solidize my internal thought  
As we drive home  
(you can't tell me, you can't tell me)  
Hey, she won  
Do do do, do do do  
Hey, she won  
Do do do, do do do  
You're no fun  
Do do do, do do do  
Since you won  
Do do do, do do do...
