

Ben Kweller, Launchramp

Go!
Tack giant mushrooms
To all of the bedrooms
Go, yo, to the streets
In a penis with selection
I survey nocturnal thought
As we drive home

Hey, she won
Do do do, do do do
Hey, she won
Do do do, do do do

You're just a vacuum too
Down in the basement
That's of course the game I'm playing
While my heart goes to the almighty
Solidise my internal thought
As we drive home

Hey, she won
Do do do, do do do
Hey, she won
Do do do, do do do
You're no fun
Do do do, do do do
Since you won
Do do do, do do do
