

Ben Kweller, Next Time

Verse 1:

its so sad your not here,
wish you were more sincere,
you say mine everytime,
now your mine,nevermind.

Chorus:

I'm not gonna cry,
I'll be happy next time,
I'm not gonna cry,
I'll be happy next time,happy next time.

Verse 2:

i'm the toy boat in your tub,
isnt it fun let me sink,
its sad knowing that I'm love,
with the girl I can kiss using cyber ink.

Chorus:

but I'm not gonna cry,
I'll be happy next time,
I'm not gonna cry,
I'll be happy next time,happy next time.

Bridge:

if you cared you wouldnt befriend me,
if you cared you I guess you would send me,
email and let me know you still care.

is it cool,being cool,and fine,
knowing that you could have any guy,
knowing that you could kill any guy,
knowing,that there is a guy whos gonna hurt you,
twice as bad,yeah,bad,yeah.

Chorus:

I'm not gonna cry,
I'll be happy next time,
I'm not gonna cry,
I'll be happy next time,happy next time.

Outro:

is it cool,being cool,and fine,
all you I want is to make you mine,yeah.
