

# Ben Kweller, Things I Like To Do

I don't know where we are  
But I know what I like to do  
I like staring up at a starry sky  
And down at an ocean blue  
I like it when we touch  
To most people this isn't much  
These are the things that I like to do  
I don't know where to go  
But I know what I like to do  
I like walking down those little streets  
When we're in Paris, France  
When I'm in the mood to run  
And when I'm in the mood to dance  
These are the things that I like to do  
All right  
I don't know how to spell  
But I know what I like to do  
I like thinking 'bout the people  
Who lived here before us  
I like listening to my favorite music  
When I'm on the bus  
These are the things that I like to do  
I don't know what to do  
But I know what I like to do  
I like talking at the diner  
Instead of screaming in the noisy bar  
I like walking into public places  
Strumming this guitar  
These are the thing that I like to do  
But most of all I like liking you
