

# Ben Kweller, This Is War

I'm a soldier on a battlefield  
Got an army on the battlefield  
Outnumbered like the Alamo  
I don't even want to go

This is war  
Yeah yeah yeah  
This is war

Always stuck in a daydream  
Can't focus on the other team  
Hunted you all day and night  
Now I'm ready for a fight

This is war  
Yeah yeah yeah  
This is war

I can't be your friend  
'cause I got to knock you out

Are you ready for a surprise?  
I don't even think you even realize  
They say that you're the best  
You gotta follow all the rest

This is war  
Yeah yeah yeah  
This is war

I can't be your friend  
'cause I gotta knock you out  
So I can win.
