

Ben Kweller, Tylenol

Tylenol

I need some Tylenol

Give me some Tylenol

To kill that headache you gave me

To kill that headache you gave me

To kill that headache you gave me

To kill that headache in me

Rohypnol

I need some Rohypnol

Give me some Rohypnol

To slow that heartache you gave me

To slow that heartache you gave me

To slow that heartache you gave me

To slow that heartache in me

Methyl

I need some Methyl

Give me some Methyl

To speed that getting away from me

To speed that getting away from me

To speed that getting away from me

To speed that get away from me

Machine gun

Where's my machine gun

Give me a f**king machine gun

To blow you the f**k away from me

To blow you the f**k away from me

To blow you the f**k away from me

Get the f**k out of New York City
