

Ben Kweller, Until I Die

I'm so sorry I'm so paranoid
It's something in my head
That I can't avoid
And I want to be with you
And always will
Until I die
Until I die
Until I die

I'm so sorry that I've been like this
You're the one thing in this world
I don't want to miss
And I want to be with you
And always will
Until I die
Until I die
Until I die

Frost on the window
I'm in for the night
You've got a phone
Keep me in mind
Just give me a try

I'm so sorry that I've been so sad
But you are the best friend that I've ever had
And I love you
And always will
Until I die

Frost on the window
I'm in for the night
You've got a phone
Give me a try
It's still on my mind

So sorry I'm so paranoid
I'm so sorry I'm so paranoid
I'm so sorry I'm so paranoid
I'm so sorry I'm so paranoid
And I want to be with you
And always will
Until I die
Until I die
