Ben Lee, Frigid

From such a tender age I let you in To mess with my insides I don't regret a thing

And I don't care if you're confused Please hold my hand Grip the railing I still don't understand

Twenty metres above the ground, took off my disguise I never thought of kissing you is that such a surprise I think you've heard my song before Won't make you hear it again

Don't wanna hear about your girl
Got my own best friend
And if you wanna hear a tune we'll grab a bite
Take your quotation marks away
I got my pride
I got my pride

I ate my mushroom goop You were laid-back We tried to reinvent ourselves We're getting off the track

And I don't care if you're confused Please hold my hand Grip the railing I still don't understand I think you've heard my song before Won't make you hear it again

Don't wanna hear about your girl I've got my friend And if you wanna hear a tune we'll grab a bite Take your quotation marks away

I got my pride
I got my pride
