

Ben Lee, So Hungry

It's strange
It's mad
To want someone so bad
And can't
You tell
Feel it in every cell
Our eyes
They meet
I won't accept defeat
I feel
Brand new
Can't keep my hands off you
And we get so hungry
We eat each other alive
We get so hungry
Only the strong survive
We get so hungry
Cannot get you off my mind
If hearts
Could speak
Some things I can't repeat
Cos you
Were sent
To steal my innocence
It's all
So much
Your love your words your touch
Your glare
Your scent
Makes me believe again
We get so hungry
We eat each other alive
We get so hungry
Only the strong survive
We get so hungry
Cannot get you off my mind
We get so hungry hungry
We sleep
We dream
Discuss the things we've seen
We take
We give
This is the way we live
And we get so hungry
We eat each other again
We get so hungry
Only the strong survive
We get so hungry
Cannot get you off my mind
We get so hungry
We get so hungry
We get so hungry
