

Ben Lee, Surrender

Well I have felt an angel's kiss
And I have seen the sweet sunset
I thought maybe I was this
I found out that I am that

Let go

Give in

Give up

Surrender

Let go

Give in

Give up

Surrender

All the things I long to touch
And all the tastes that seem so sweet
They don't matter all that much
When I'm falling at your feet

Let go

Give in

Give up

Surrender

Let go

Give in

Give up

Surrender

Oh yeah!

Come on!

No-one puts baby in the corner!
yeah!

Well I can't promise I won't fall
And I can't say I'm never scared
I can't promise much at all
But when you call me I'll be there

Let go

Give in

Give up

Surrender

Let go

Give in

Give up

Surrender

Let go

Give in

Give up

Surrender

Let go

Give in

Give up

Surrender

Yeah

Yeah

Yeah
