## Ben Lee, Ten Feet Tall

I'm ten feet tall today I'm higher than a kite I sidle up beside Awake for five days and five nights I've got a glow today For everyone I know It hurts to watch me glow I'm blind so watch me grow I hit the ground and I'm downtown The street's alive there's people 'round Wonder how I did it all before You know, I've walked away from more I'm ten feet tall today And no one can explain And no one can obtain And I will buckle under strain I hit the ground and I'm downtown The street's alive there's people 'round Wonderin' how I did it all before You know, I've walked away from more than this I've walked away from more than this Away from more I'm ten feet tall today I'm higher than a kite
