Ben Lummis, Fool For Love

Verse 1
Ladies
It started way before I was ready
Ya, I've had bad relationships
So I thought
This would end in the same way that that did
But who was I to judge you

I wish you'd never met that other guy
Made me feel insecure
I would've opened my heart as well as my eyes
Stopped you from leavin but I was a

Chorus 1
Fool for love
To gain your trust
To break your heart
You'd given me everything
I played too much
I miss your touch
I'm serious
Can't live with the memory

Verse 2
Lady
You aksed a question
You deserved an answer
I kept you waiting cause I believed you would
Even when you couldn't wait much longer
The way you touched I could tell

Now you've moved on girl to another guy
I got a fever baby
The answer would've been yes
If you had asked one more time
But I let her get away like a

Chorus 2
Fool for love
To gain your trust
To break your heart
You'd given me everything
I played too much
I miss your touch
I'm serious
Can't live with the memory

A fool for love

I let a good thing get away

Bridge
(ooh) Now I wonder what you're doing baby (baby)
(ooh) I've been fantasizing about you lately (lately)
(ooh) You're the only one who drives me crazy (crazy)
(ahh) Is this why I'm without you

Cause I'm a Fool for love, ooh baby
Letting you go away
A Fool For Love, ooh baby
You should know that I'm a

Fool for love
To gain your trust

To break your heart
You'd given me everything
I played too much
I miss your touch
I'm serious
Can't live with the memory

Fool for love
To gain your trust
To break your heart
You'd given me everything
I played too much
I miss your touch
I'm serious
Can't live with the memory

A fool, fool, fool
For you, you, you
Oh yeah, yeah, yeah
And ooh, ooh, ooh
I'm a fool for love in love with you
I'm a fool
