

Ben Platt, Imagine

Your eyes give life a new meaning
It's like i dfound the north light
I never knew what i neede
Until I felt hand holding me

you say
i am your hero
but you're the one that saved me
If i ever lost you
I'd fall to my knees

I can't imagine my life without you
I can't imagine one night without you
If something happened,
Don't know what I'd do
I can't imagine, I can't imagine
I can't imagine my life without you

Your eyes give life a new meaning
It's like i dfound the north light
I never knew what i neede
Until I felt hand holding me

you say
i am your hero
but you're the one that saved me
If i ever lost you
I'd fall to my knees

I can't imagine my life without you
I can't imagine one night without you
If something happened,
Don't know what I'd do
I can't imagine, I can't imagine
I can't imagine my life without you
