

Ben Sage, All about You

When we first met you stole my heart away
Your love was incredible wonderful
You used to make feel special
Now all you do is make me cry
I gave you my everything
But all you gave me was lies
I tried to be the one for you baby
You you never was enough what I do do
That's why I'm leaving
Cause it's all about you and not about me
When we get in a fight
I'm always the first to apologize
Even if it was you who did wrong
I do everything to please you
That's why I can't get on
Remember what I did for you
It's never any good for you
You always got to complaint
That's why I got to say
I can't stay
I I tried to be the one for you baby
You you never was enough what I do do
That's why I'm leaving
Cause it's all about you and not about me
