

# Benassi Bros., Feel Alive

uh uh uh uh uh  
uh ah uh uh uh  
You can tell  
When you are feeling love  
And I can tell  
That there is something in your eye  
Its a tear, its a tear  
Falling down  
Its a tear, its a tear  
Drying out  
When you feel...  
When you feel...  
When you feel alive  
Do you feel alive  
When you feel alive  
Do you feel alive  
I can tell  
That you are in love  
And I know  
What that little drop is in your eye  
Its a tear, its a tear  
Of happiness  
No more fear  
No no more fear of loneliness  
Do you feel  
When you feel  
When you feel  
When you feel  
When you feel alive  
Do you feel alive  
When you feel alive  
Do you feel alive  
When you feel alive  
Do you feel alive  
When you feel alive  
Do you feel alive  
I am burning, with this love  
I am burning, is it love  
I am burning, with this love  
I am burning, is it love
