Benassi Bros., Movin' up

You think I care if youre not there That youre the only one and Id never dare To let you go but you dont know The way I really feel in my heart and soul Youve gone too far dont want you more I need to move on up so walk out the door You gotta go you gotta know The way I really feel in my heart and soul Im movinup and you go down Movinup and you go down Im movinup and you go down Up up down down down Movin up up up up up up up up Movin up up up up up up up up up You think Id cry or run and hide If you decide to go III be satisfied To see you leave cos I believe Were never gonna be what we used to be Look in my eyes I cant disquise Dont love you anymore I only desire To see you leave cos I believe Were never gonna be what we used to be Im movinup and you go down Movinup and you go down Im movinup and you go down Up up down down down Movin up up up up up up up up Movin up up up up up up up up
