

# Benassi Bros., Ride To Be My Girl

Ride to be my girl  
Top on mine  
Push and shove  
Ride me all around  
All you can  
Rise above  
You gotta ride,...to,...be,...fun  
You gotta love me  
Come right  
You gotta ride  
Ride to be my girl  
All the time  
Making love  
Ride me up and down  
Feel my hands  
Make you come  
You gotta ride ...to ...be ...fun  
You gotta love me  
Come... right  
You gotta ride  
Ride to be my girl  
Sweaty shine  
On me rough  
Ride me with your sound  
Fly and land  
Give it up  
You gotta ride,..to,..be,..fun  
You gotta love.. me  
Come.. right  
You gotta ride  
Ride to be my girl  
All your skin  
Want to clutch  
Ride me really hard  
Feel you in  
Feel your muff  
You gotta ride,..to,..be,..fun  
You gotta love.. me  
Come.. right  
You gotta ride
