

Benassi Bros., Waitin' for you

EVERY NIGHT I LOOK UP TO THE SKY
YOU KNOW IM WAITING FOR YOU
AND FOR ALL THE WORDS
THAT YOU TOLD ME BABY TO COME TRUE
DONT MAKE ME WAIT NO MORE
I NEED YOU, DONT LET ME STAY HERE ALL ALONE
TALK TO ME TALK TO ME BABY
YOU KNOW IM WAITING FOR YOU
SO COME TO ME - COME TO ME
I DONT WANNA WAIT FOR YOU ANYMORE
COME TO ME BABY RIGHT NOW
COME TO ME - COME TO ME
Lookin for a star up in the sky
waitin for some lover to arrive
Ive been searchin for your face inside the darkness
every nite I see u comin back to me
I was waitin for you
waitin for u
Im waitin for u
waitin for u
Im waitin for u
Hopin from a signal from above
searchin for the meaning of our love
as I walk towards the light among the shadows
in my sleep I see u comin back to me
I was waitin for you
waitin for u
Im waitin for u
waitin for u
Im waitin for u
